INSURANCE COMPANY.

TXT hich, in 1860, originated and introduced the first Non-forfeitable Policy, now makes another Radical Departure in favor of the insured.

Life insurance is safe or possible only on the principle Inside room, which, by the way, is a dark portant rival being the giove sleeve, which is that life is more precious than money; but no life company has heretofore fully accepted this principle.

The New York Life, believing from its experience that the time has come when this principle should be fully accepted, now announces that, the physical conditions, habits, etc., of an applicant being satisfactory, it will insure him without future limitations. The Company's new contract, the

"ACCUMULATION POLICY,"

contains no restrictions whatever respecting Occupa tion, Residence, Travel, Habits of Life, or Manner of Death. The only condition of the policy is that the premiums be paid as agreed. If the insured pays the premiums the Company will pay the policy,

events will be helped materially by their tates of his own taste, says a writer in the Detroit Free Press, but he must put up with | ion the man spread out before me began to t or go empty. One June day, after a rough ride of thirty miles and no dinner, I pulled up in front of a be went on, "and waffles throwed in fur house to make inquiries as to entertainment good measure, and then taperin off on a big

prictor of the place was sitting on a wood- cream." pile by the gate.

and a place to sleep?" I asked, after the usual greeting. "Come fur ?" he answered.

"Thirty miles." "Whar from ?" "Beattyville." Come from the Blue Grass ?" "Yes; left Winchester a week ago."

Live down that a-way?" "Yes, when I am at home. "I used to live down in the Blue Grass my self." he said, with a reminiscent pleasure in his eyes. "Lived down thar till I was twentyone, married a gal up in these parts, and twenty-five years ago." And I didn't say a didn't own a'durn thing in the Blue Grass, "But git down and and he winked slyly.

come in. I reckon we kin fix you. Hitch your hoss to the fence. Want somethin' to eat, do "I should say so," I replied, as I obeyed his instructions."

"How'd a fine fried chicken with flour gravy "Plumb centre." I replied in the vernacu-

mountains of Kentucky is not always the 'em, and a piece of briled ham, that ud make tickle my palate. " Good cup of coffee an't bad, nuther, is it,"

biscuits, flaky and white, with honey ont

for man and beast for that night. The pro- sasser full of fresh strawberries swimmin' in "Don't talk about it," I protested, "I'm hungrier than a wolf. Let me get at it." My host's face fell, and there were almost tears in his eyes. "Talk's all there is to it, mister," he said, mournfully. "It uster be

that a-way in the Blue Grass, but we don't git nothin' but corn bread and salt pork up this -way." I presume he saw the disappointment in my face and that I was about to express i vigorously, for he threw up his hands appeal-"Don't say a word, mister," he pleaded; "ef I didn't get a chance sometime to talk about this kind of fillin' fit for a man to put inside of himself I'd a been a dead man

word. Rapid Locomotive Building. Who would think, to look at a big railway comotive, that it could by any pe be put together in less than one day? A London paper states that the feat was ac plished at the Stratford works of the Great Eastern Railway, of England. The locsix-coupled type, weighing more than thirty-

was a "standard freight locomotive of the seven tons and able to haul a load of 560 tons." "That's blue-grass victuals, ain't hit?" he sked with an appetizing laugh. "And I occupied less than ten hours. End of Season must be thought of. If you're going to have your flannels washed in the old-fashioned, rubbing, twisting, wrenching way with soap and a washboard, then you'll /

look something like this by the time the leaves fall. Flannel is flannel, and it shrinks unless it's washed as it ought to be-with Pearline. Beginning of Season is the time to take action. Make up your mind now that your toggery shall be washed only with Pearline

(you're told just how on & every package) and you won't have any trouble. Look up your last year's suits and have them washed with Pearline, too. They'll look like new, and, if too

small for you, will do for a younger generation.

Beware of imitations.
